3. learning music and art may help some students discover their talents for music and art, which is beneficial to them when are choosing career.

12.3 打手机应不应该在一些地方禁止?

Should be prohibited in some occasions.

1. When driving a vehicle. Talking on a cell phone would more or less prevent the drivers from focus on the traffic situations ahead of them, increasing the possibility of accidents.
2. On airplanes. The electrical signals of the phone will probably cause signal interruption and malfunction of the plane and even accidents.
3. In hospitals. Likewise, the cell signal may have a bad effect on the medical devices, posing a great danger to the patients' lives.

12.16 媒体和家人朋友从哪学到更多?

媒体

1. Computer and internet technology enable us to have access to a huge amount of information in all kinds of areas. Internet is a vast ocean of Natural sciences and social sciences. ><the knowledge and experience of people around us are more or less limited.
2. The images and videos as well as words on tv and net are so direct and vivid that they make it a lot easier to study. With the media, learning can be real fun and easy.

12.17 政府是否应该投资建博物馆和剧院

No

1. Museums and theatres will be able to support themselves through the admission fee they collect before the exhibition or performance.
2. It would be more reasonable to invest the money in infrastructure facilities of the city for the better being of the people in the entire community.
3. Or, it could also be distributed to those who have been suffering from hunger, poverty and disease all over the country.

06

1.14 Prefer to eat at home or eat outside at the restaurant?

Out at the restaurant.

1. Some of the shops command great view. Relieve relax.
2. It would save a lot of time and energy of cooking and washing dishes so that we can focus on our conversation with the friends and have more fun.
3. The food and drink in the restaurant are generally a lot more delicious than those at home. The cooks and employees in those shops are professionals in this area.>< The taste of the food we make on our own is just so-so.

1.21 Prefer to study in big or small city?

Big city

1. There are more great job opportunities in big cities. The big companies would be more likely to offer higher salaries and welfare to employees. So we could have a better life in big city.
2. Big cities have amazing public facilities and convenient transportation. They have more parks, restaurants, cinemas and playgrounds. All of these make life more colorful.
3. There are more people in big cities than small cities. I would be able to make friends with a great many people there. Perhaps, we have a little get-together, we talk, we laugh, we discuss and all these make the vacation much more fun.

Small city

1. Great view.
2. The peace and tranquility. There is little noise and the quite environment can make me focus on my study and learning.
3. Big city pollution. The exhaust gas from all the cars and buses have caused severe pollution. In the big cities, we are seeing less blue sky and less bright stars, breathing less fresh air and drinking less clean water.

2.3 一个人住还是和室友住? =07.1.6

2.11 喜欢和同学出去吃还是在家做=05.1.21

3.3 愿意在加工作还是在公司工作, y company

1. Great view around the office
2. During the break, I get to talk with my colleagues and friends. We talk, we laugh, we discuss, working can be real fun and easy.
3. will make me learn from one another's strong points and get help from others to improve our own abilities in the area

3.17/18 大学应该想所有人开放还是向一部分人开放

Only some students.

1. This would make the best of the resources and facilities in the schools, resulting in the improvement of working and learning efficiency of the students.
2. Fewer people means smaller classes. Teachers would pay more attention to each one in the class and teach more effectively and more efficiently.
3. Fewer people on campus are relatively easy to organize and manage and this would enhance security and good order in the school.

3.25 家长约束孩子还是让他们看想看的任何节目

restrain>>05.11.19

1. TV programs are so fascinating that children may spend too much time in front of the screen, resulting in lack of communication and less time for work, study and exercise.

3. be able to make friends with the people who have related experience and expertise and get help from them about the problems we run into on the research.

6.16 被电视，报纸，广播上的信息影响的多还是家人朋友影响的多？

Family and friends.

1. we spend most of our time with our family and friends. So we will be inevitably influenced by their opinions, behaviors and characters.
2. Our family and friends are the ones who care and concern about us the most and also the ones we trust most. ><the information on television and other medias are not as

reliable.

6.24 Prefer indoor or outdoor activities?

Outdoor.

1. Outdoor activities, especially the sports, like playing basketball, playing tennis, skiing.etc. would improve health condition and better prepare ourselves for any physical challenge in the future .
2. Picturesque view and enjoyable surrounding in great nature relieve pressure.
3. In the activities, we can make friends with the people who share the same love for a particular activity. We talk, laugh, discuss, and this makes life much more fun.

7.15 想把多余的钱马上用掉还是存起来？

Deposit.

1. When the money is saved in a bank, the interest is growing all the time. So we can have more money when we later withdraw them out of the bank.
2. This money can be used in emergencies. For example, when we are sick or in a accident or our best friends are suddenly in great financial trouble. In these cases, the money will better prove their worth.
3. Or, we can set aside the money for buying a big house or fancy car in the future when we have earned more. It is wiser than using it right away.

7.29 long vacation, short vacation?

Short vacation

1. A vacation, no matter how long, can always serve as a means to help us relax...
2. Short vacation provide moderate relaxation. ><in long vacation, students tend to forget almost everything they have learned during the previous semester. It will prevent the students from getting used to the new term quickly.
3. Short holiday reduce the possibility of accidents. Students are more likely to misbehave and get in troubles in long vacation.

8.12 work alone/in a group

group

8.26 for class assignments, work alone or in a group?

Group

9.15 do you prefer to attend class regularly or to carry out independent study?

group

10.8 traditional class or online class?

>>07.2.24

10.15 big class or small class

smaller class>06.3.17

1. This would make the best of the resources and facilities in the schools, resulting in the improvement of working and learning efficiency of the students.
2. In smaller classes, teachers would pay more attention to each one in the class and teach more effectively and more efficiently.
3. Fewer people in class are relatively easy to organize and manage and this would enhance security and keep good order in the class.

10.21 a/d people should always tell the truth

no

1. most of the time, people should be honest and be a man of integrity. But not always.
2. To those bad guys, like the bullies and hooligans who want to take advantage of us, we should be manipulative and say what we can to stay away from danger.
3. To our friends and family. Sometimes, a white lie proves to be beneficial than a cruel truth. For example, my friends' mother got sick and in grave condition when he was preparing for an interview. I would lie to him by saying his mom is fine and focus your job hunting. Because if I had told him the truth, he couldn't do anything about his mom and he may have lost the job.

10.22 college to all students or some students.

>>06.3.17

10.28 Live alone or with roommates?

>.07.1.6

11.3 offer PE courses or not?

PE importance

1. The running and jumping around can definitely help us relax....
2. PE classes would improve health condition and better prepare us for any physical challenge in the future
3. All kinds of sports games in PE lessons require us to play in a group, This would help develop our sense of teamwork and the spirit of cooperation, which is quite important in future career in society.

11.17 Study in a university in big city or small city?

>>1.21

11.18 If you have money, practical thing or happy thing. 177

practical thing

1. When we buy a practical thing, it will be always there. >< nothing physical has left.
2. Perhaps it may appreciate, so we can sell it later to get more money.
3. When we meet the ones we love very much, we can also send this thing to them

11.19 Get up early or late?

Early

1. I can do physical exercise, like jogging, swimming, playing tennis. This would improve health condition and better prepare myself for any physical challenge in the future
2. I would be able to keep good and healthy hours, have breakfast, lunch and supper on time, protecting me from all kinds of stomach problems.
3. It's also great to read English in the morning, when I have the best memory in a day. Good English can help me make friends with many foreign people and increase my job opportunities when I graduate from school.

12.3 Communicate with family and friends by letter and email or telephone.

Telephone.

1. through telephone we can hear the voice from the other end, which reveals the emotions and feelings of them. This would shorten the distance between the two speakers. >< we

can only see the words with no affection itself.

2. telephone communication are instantaneous. Which means we don't need to wait to contact others, this is especially helpful in urgent situations. >< while by letter and email we have to wait until they reach the postboxes or the mail address.

12.8/15 家长约束孩子看电视?

约束>>05.11.19

12.16 relaxed or hurried life?

Relaxed life

1. The lower pace and life style would definitely help me relax... This is better for both my mental and physical condition. ><while hurried life always result in fatigue, stress and depression more or less.
2. The relaxed life would allow me more time to do all kinds of activities, play sports, playing musical instruments, traveling all of these make life more fun and exciting. ><in busy life, I become the slave of work or money
3. I also have more chance to hang out with friends or spend time with the family, this is the source of every single bit of my sweetness and happiness in life.

07

1.6 Do you prefer to live with roommates or you prefer to live alone?

With roommates.

1. learn from each other's strong points and improve my own abilities in certain areas.
2. Roommate is always the first to come up and give the shirt off his back when I am in trouble. Eg. Get sick couldn't go to classes, he will give me the notes and buy me drugs.
3. By living with a roommate, I can improve my interpersonal and communication skills, which is quite important in my future career

1.12 in a journey, go straight to the destination/enjoy the journey?

Enjoy the journey on the way

1. the picturesque view and enjoyable surroundings may be even more fantastic than the tourist destinations in the schedules. In this way, I can make the most of the journey.
2. the natural scenes, persons, buildings may increase my understanding of the culture, custom and history of that country.
3. I might have the opportunity to talk to the people on the way and perhaps make friends with them. They will tell me more interesting stuff and make the journey more fun.

1.14 Keep old buildings in a city or not 65

Keep old buildings.

1. historical buildings are the very representation of the city's great history. Demolishing the buildings is destroying the sense of pride of all the citizens.
2. cause the rapid development of tourism of the city, stimulate the economy and further improve the infrastructure facilities of the city, resulting in the better being of the people in the entire community.
3. education about the materials in the building can also increase the understanding of the everyone about the culture, custom, history of the country.

1.19 Childhood is the best time of one's life? 133

Childhood no

1. Children are not treated seriously and cannot handle many situations most of the time

because they are immature both mentally and physically.

2. Children are not likely to have great relationships like friendship and love until they reach adulthood.
3. Children have no skills to work and have to live off their parents and cannot enjoy the fun of living independently.

1.27 Study from advices of friends and parents or personal experience. 108

Friends and parents.

1. They have certainly more valuable experiences than myself and can provide a lot of useful information, making the learning process more efficiently.
2. Parents and friends are the ones who are caring and concerned about my well being. So they are trustworthy
3. Save time and effort to know important lessons where there is no turning back. For example. My father did not work and study hard when he was young, he does not want me to repeat his mistake. And I cant afford to learn that through my own experience either.

2.3 Students should wear uniform in schools. 135

Wear uniform++

1. Students will be more aware of their identity and involuntarily behave more appropriately in public areas><in casual clothes they wont feel this way and may perform less properly.
2. school members, especially the girls will not pay much attention to their clothes and focus on study><or else they would compare their own to more attractive clothes, resulting in less time in learning.
3. Uniform would bring benefit to the overall reputation of the school for discipline and organization.

2.24 Prefer online courses or traditional class setting?

Traditional class

1. Have more opportunities to get involved in face-to-face contact with the teachers and students, this would improve my interpersonal and communication skills, which is quite important in my future career.
2. Do not depend on the hardware facilities such as power, computer, internet etc. The can perform teaching, learning and discussion anytime they are together.
3. Have less distraction from study in traditional form. ><Fancy equipments and resources may prevent the students from concentrating on study and defeat the original purpose.

Online courses

1. Save a lot of time and energy of students on transportation on the way to school so they will have more time to get involved in other subjects such as sports and arts. And this will bring benefit to the all-round development of the students.
2. Provide more useful resources and information online and so the students have access to a large amount of information in all kinds of areas.
3. improve the computer skills of students and they can keep abreast of the new technologies, which is quite important for the future career.

3.3 选择找工作容易还是感兴趣的学科学习?

Interest

1. Sometimes, good job and money are not the only concern in life. Doing something we are interested in is a kind of happiness even though the payment is not high while doing

the work we don't like can only cause pain and boredom no matter how high the salary is.

2. Getting involved in the area of our interest would be more likely to bring about great achievements and success. This is more meaningful in life.
3. Make friends with the people who share the same love for that interest. Talk, laugh....

3.4 Our life is easier or more difficult than our parents?

Easier

1. Our parents who were born decades of years ago sometimes did not have enough food and shelter, they suffered from grave economic hardship when they were young. >< Now our basic living conditions have been greatly improved due to the rapid economic development.
2. We not have much more opportunities to receive high-quality education and learn new things and knowledge in all kinds of areas.
3. Information technology, the internet and computer make our lives even more colorful and fascinating. There are a great variety of entertainments online and we can make friends with people all over the world.

3.10 College education important not important 必不可少? 1

College education importance

4. enhance the proficiency in a certain area, broaden one's horizons and increase knowledge in all kinds of fields
5. improve interpersonal and communication skills which is essential in future career.
6. make friends with those people on campus who share the same love for a particular subject.

a) Watching tv or newspaper for news?

Newspaper ++

1. Newspaper cost much less than other media... With the same amount of money I can buy more to get more new information in all kinds of areas. ><have to pay for the electricity bills and cable fee
2. News on newspaper is completely at our disposal, we can read them over and over again anytime we want.><mostly we cannot control the news broadcasting on tv to meet our own schedule.
3. Watching television excessively would drain the eyes and bring harm to the skin because of radiation.

3.23 Work independently or work in a group? 78

Group

1. will make us learn from one another's strong points and get help from others to improve our own abilities in the area. (prevent personal mistakes and bring everyone's talent to full play)
2. will improve our interpersonal and communication skills and perform the jobs more efficiently and more effectively.
3. be able to make friends with those who share the same love for a particular subject....

4.21 Read fiction or nonfiction.

Fiction

1. Some of the fictions are funny and make people laugh. And laughing would definitely

help me relieve the pressure from work and study.

2. The humorous style in the ... can also improve my sense of humor. This will make others more willing to listen to my stories and bring fun to my life and the lives of others.
3. The plots and characters can help me develop my imagination and enhance the ability to think independently and perform creatively.
4. I'd be able to make friends who share the same love for the fictions. We can have a get-together, we talk, laugh, discuss and we all feel like one big family.

4.29 job with more money or job with more personal satisfaction? 53

Satisfaction

1. Sometimes, money is not the only factor we need to consider about a job.
2. The warm and friendly atmosphere in the working place is also important for people to be in a good mood and work happily all day.
3. Doing something we are interested in is a kind of happiness even though the payment is not high while doing the work we don't like can only cause pain and boredom no matter how high the salary is.

a) a/d: students should have a year break before they attend college.

Should not have a year break before college.

1. This break of a whole year would be a waste of time. The students could have learned a lot of knowledge or valuable experience on campus.
2. This long period of break would make the students forget most of what they have studied in high school, this will prevent the students from adapting to college life as quickly as possible.
3. Students may also have many opportunities to make friends with a lot of schoolmates and enjoy the beautiful life in the Ivory tower.

6.24 学生能从讨论中学的更多

Discussion

1. will make us learn from one another's strong points and get help from others to improve our own abilities in the area.
2. will improve our interpersonal and communication skills which is quite important in future career.
3. be able to make friends with those who share the same love for a particular subject....

6.30 做 project 是看书还是上网搜索

1. Provide more useful resources and information online and so the students have access to a large amount of information in all kinds of areas.
2. improve the computer skills of students and they can keep abreast of the new technologies, which is quite important for the future career.
3. be able to make friends with the people who have related experience and expertise and get help from them about the problems we run into on the project.

7.7 a big city or a rural place, which place u' d like to choose to spend ur holiday or vacation?

Big city

4. There are a lot of famous places of interest in the city, which will help me improve the understanding of the culture, custom, history and many other interesting stuff about the country.
5. Big cities have amazing public facilities, for example. Having a walk in the huge parks, I can smell the grass and flowers, hear the cries of the birds, feel the bracing breeze on my

face. All of these can help me relax and relieve the pressure from work and study.

6. There are more people in big cities than in rural areas. I would be more likely to make friends with a great many people in cities. Perhaps, we have a little get-together, we talk, we laugh, we discuss and all these make the vacation much more fun.

7.14.大学应该收费还是免费?

Charge

1. Tuition fee can be used to improve the infrastructure facilities in and around the university, such as library, sports ground, teaching buildings, laboratories etc. This will result in the better being of all the students on campus.
2. The money can also be invested in enhance the quality of the teaching and research staff in all departments. This is beneficial to the academic performance of the students and the reputation of the school.
3. Free of charge would definitely attract much more students to enter college, causing lack of resource for each student and the decline of learning efficiency and effectiveness.

7.21. Cell phone should be prohibited?

7.28. Money and power= success?

////////////////////////////////////
